

AHEC SCHOLARS PROGRAM

An innovative, interprofessional
opportunity for Alabama's health
professions students

The Mission

Health Professions students: Are you looking for an opportunity to further prepare yourself for the diverse, culturally competent primary care workforce? Are you passionate about delivering high quality care in the ever-transforming health care delivery system? Are you passionate about improving health related outcomes for individuals in rural and under-served communities? If you answered 'YES' to any of these questions you may be interested in becoming an AHEC Scholar!

The Commitment

AHEC Scholars will learn together as inter-professional teams, completing both didactic and clinical training over and above their regular curricula with a focus on preparing them to care for Alabama's medically disadvantaged populations. The **two-year** commitment consists of **40 hours of online training and 40 hours of team-based service learning per year.**

The Benefit

AHEC Scholars will enhance their knowledge and competence in the following core areas:

- Interprofessional Education (IPE)
- Behavioral Health Integration
- Social Determinants of Health
- Cultural Competency
- Practice Transformation
- Current and Emerging Health Issues

AHEC Scholars will engage in team-based clinical experiences providing care to vulnerable and underserved patients in settings such as homeless shelters, free clinics, community health centers, health fairs and more.

**\$500 STIPEND AVAILABLE
PER YEAR!**
